Joint fundraising proceeds will be allocated as follows: Funds will be distributed to Heather Wilson for Congress to the extent permitted by the Federal Election Campaign Act of 1971, as amended (the "Act") (a maximum of \$2,100 per individual per primary election and per general election and a maximum of \$5,000 per federal multi-candidate political action committee per election). In the event funds remain that would constitute an excessive contribution to the campaign, such funds shall go to the Republican Campaign Committee of New Mexico federal account. In the event funds remain that would constitute an excessive or prohibited contribution under the Act to the state party federal account, such funds shall be refunded. All funds distributed to the Republican Campaign Committee of New Mexico will be used in the party's sole discretion. Notwithstanding this formula, contributors may designate their contributions to either participant, subject to the Act. The allocation formula may also change if contributions are received which may exceed the amount a contributor may give to either participant under federal law.
